Dear Sir:

The enclosed circular
was received by me a day
earlier in an envelope
bearing the markings of
the Office of the Prime
Minister, post mark of
June 25, Havana, Cuba.

I am quite sure
these circulars are, or
have been, circulating
among students in
many of our colleges &
so forth.

I fear the malcontents
the present changes
existing in a great
of Latin American
keeping the two Island

phase of our national life. It is slowly and surely creeping into the every day life of America. It is a force that cannot be fought with weapons or armies on fields of combat. This conflict is a spiritual one, and unless our security agencies; our people, decide to counter this force with equal or superior spiritual concentrations, the battle is one-sided, and the enemy will win.

While the enemy parades with threats of armed

is elements who may
feel discontent out of
opportunities for success
in their present jobs;
but, what about the
majority of Americans
who are uninformed;
who poorly face the
idea of "anything bad
happening here?"

What are our govt.
security agencies doing
to protect the
flank of Communist
infiltration pouring
into American borders?

To me the threat of
Communist infiltration
is very real - I can see
it everywhere!

conflict, the mortal
thrust of subtle
infiltration is wearing
away the vital principles
and concepts that
have kept America in
the past.

Mr. Dulles, the spy
business may serve
well in some areas
of foreign affairs, but
the time has come
when America must
stand up and declare
itself and develop openly
with the enemy. We
know what - not who -
the enemy is. Let's face
this enemy and expose

his several aims. An informed America will be a vigilant America. No aggressive army of national Security can defend us against this. Turn us back the people and fully reward -
Confidence.

I will do my part to defend my beliefs at a time like this. The affairs of State are the concern of the Empire.

If you will release either this edition or as it was to a newspaper, and

explain it to the
Significance to as
many people as I can.

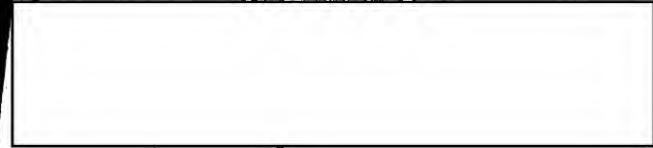

It can be of any
service, please feel
free to call on me.

May God bless and
gratify you in Jesus
Name.

Sincerely in Christ

A. Jaworski

SUBJECT : Proposed Reply to a Letter

Attached for your signature is a proposed reply to a letter from Reverend A. Jaworowski of [redacted] in which he enclosed a circular bearing the markings of the Office of the Cuban Prime Minister. The circular advertised a summer colony for students in Havana sponsored by student groups of the University of Havana. Reverend Jaworowski is of the opinion that many of these circulars have been distributed among students in quite a few American schools and colleges, and expresses deep concern over the potential danger of this form of Communist infiltration into the schools and homes of Americans.
